Action Taken Report of Institution on Feedback Report

The college has a system of collecting feedback responses from students and parents on various issues like Course curriculum, college environment, library accessibility, Teachers support, sport facility, ICT facilities and overall college facility etc with the help of a structured form. However, the college does not have a separate Feedback format exclusively designed for review of syllabus as specified in the SOP for AQAR. The students and parents are provided with online feedback form available on college website as well as offline form for the session 2020-21. The received responses although inadequate due to covid-19 pandemic impact, are analysed systematically for the aforesaid period. The outcome of the result has been discussed in IQAC and recommendation have been forwarded to Secretary Governing Body and Coordinator, Academic council for further necessary action as per the report.
