MASSIVE INDIGENOUS BAMBOO PLANTATION:

The bamboo is an evergreen flowering plant belonging to the grass family. These are considered as the fastest growing plant in the world. The plant is of economical importance in the region of South Asia, South East Asia, and East Asia. The bamboo is classified according to the Geographic division where it existed such as the new world herbaceous, tropical woody and temperate woody. It is believed that there are more than 1400 species of bamboo all around the world. Out of this species found in the greater Boko area the Jati Bah, Bhulukah Bah, and deo bah is gradually extinct. So we the alumni association take a bold step to preserve the same and drive a massive indigenous bamboo plantation in the college premises of 24-09-2022.

Tree plantation:

Our environment is a priceless gift of god and taking care of it is a prime duty of human being. Following huge deforestation and industrialization, there is an intense need to replenish the greener loss. Keeping this novel cost in mind , alumni association put a step ahead and organized large scale tree plantation campaign in the college premises on 10-05-2021.

Further Activities in Pipe Line:

1. Free medical and eye test plant
2. Blood donation camp
3. Social Awareness Program to prevent drug and alcohol

The alumni association is march on ahead with selfless intention for the growth and development of college students as well as the society around for better tomorrow.
