

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

In view of the overall development and effective learning and teaching process, the college meticulously develops Plan of action based on Academic and Physical Need of college. Under the Academic Needs with respect to Research and Development, the college successfully installed and initiated functioning of upgraded Automation software for online class. The institutional strategy of In-House research grant of Rs. 25000/ only (Rupees Twenty-five thousand only) was facilitated to a student, Mr. Dhrubojyoti Baishya from dept. Of Physics for his research project on Smart Dustbin. As part of the last future plan with respect to research activity, The Gandhian Study Centre and Dr. Bhupen Hazarika Cultural Study Centre was successfully opened and an edited volume named *Gandhian Ideas and Principles* was published under Gandhian Study Centre. During the period, although the Covid-19 situation curbed offline institutional events, online training, webinar, workshop, FDP for students was conducted. With respect to Human and Resource development, the vacant posts in department of Bodo, Geography were filled up as per the UGC regulation. The vacancy of one post of Lower Divisional Assistant was also fulfilled as per the state government regulation. The Academic and Administrative audit is completed amidst the constraints of pandemic however the campus placement drive due Covid-19 situation could not be conducted. With respect to the physical Facility for teaching-learning, the college equipped the classrooms with CCTV camera and also installed a water supply plant under Govt. PHE Dept. On college campus. The existing classrooms achieved upgradation while laboratories of all science departments received an amount of Rs.2.4 lakhs (Rupees Two Lakhs Forty thousand only) for the financial year 2019-2020 and the same amount is utilized for the session 2020-2021. The departments under DBT Star college Scheme had received Rs.5 lakhs (Rupees Five Lakhs) only for laboratory equipment for the year 2019-2020 which was utilized during the session 2020-2021. The college did not receive any Government fund for this session for any developmental works. As the college did not receive any financial grant under RUSA scheme for the year 2020-21, the construction of second floor of the New Academic building is yet to be completed. Under the system of Examination and Evaluation, the examinations and assessments were conducted as per Gauhati University framework. The college is not authorized to remodel the course curriculum although there are teacher representatives participating in invited Gauhati University curriculum Development meetings.
