Administrative & Academic Decentralization:

The Academic cell looks after the Academic calendar to class dispensation, syllabus completion and smooth examination. The examination cell monitors the holding of all university examination under graduate and postgraduate programme. This cell also holds pre-sessional/unit test and sessional examination.

The duly constituted IQAC regularly takes stock of academic development and the areas requiring consolidation for major changes for quality enhancement and maintenance. The IQAC also involves actively in providing welfare of faculty. It is authorized to verify PBAS and check eligibility for faculty promotion. The students are authorized to participate in governance of college by contesting in the Students Union election as well as officiating as student union body member in different committees.

The Principal executing various responsibilities in association with decentralized bodies also initiates staff recruitment process as per the Government mandate issued by Higher Education department of Assam. The central library, an important organ of college administration is taken care of by the librarian and the library committee consisting of faculty members for facilitating developmental and easy accessibility for students.

The governing body of the college monitors the academic and other activities related to the college. The committee executes the Major issues of the college and make different policies for the further development of the college.

HOD representative, faculty, staff members, and alumni are formed to deal with development plan of the college regarding academic, administrative and infrastructural growth. The faculty member has also engaged for curricular, co-curricular and extracurricular

activities. The Principal gives directives to the departmental heads to prepare the annual departmental budget.
